

REMARKS

Reconsideration of the present application is respectfully requested.

The Office Action requires that the limitations of claim 21 be reproduced in claim 26. In response, Applicants have done this. Therefore, this application is now believed to be in condition for allowance of claims 21-40. However, if the Examiner believes that some minor additional clarification would put this application in even better condition for allowance, Applicants invite the Examiner to contact the undersigned attorney at (812) 333-5355 in order to hasten the prosecution of this application.

Respectfully Submitted,

Michael B. McNeil
